

## CHEWV Privacy Policy

Christian Home Educators of West Virginia takes your privacy seriously. Any personal information gathered on this website is voluntarily given by members, subscribers or participants, and we do not distribute that information without prior consent.

Online transactions and order details via Webconnex forms are processed and stored securely through a 256 bit SSL security encryption transaction gateway. Your credit card information is not stored or shared in any internal database or file. Financial information is used only to process the transaction as presented.

We partner with other parties to provide specific services - such as testing services or Fine Arts participation. When the user signs up for these services, we will share names, or other contact information that is necessary for the third party to provide these services. We do not otherwise disclose nonpublic information to anyone, except as permitted by law.

Test score data from CHEWV testing participants may be used for research/statistical purposes but is not thus used in conjunction with your personal identifying information in any way.

Our web server gathers and analyzes usage data from web site visitors to help with a variety of site management issues. None of the usage data collected will be used in conjunction with or related to your personal identity in any way. For example, we use log data to:

- diagnose problems with our server,
- evaluate the sources of our user traffic (ie. where site visitors clicked from to reach us),
- determine traffic patterns through our site (to build better internal links and improve your ability to find what you want),
- understand and optimize our site for the broadest selection of browser types (again, to improve your experience).

This website contains links to other sites. CHEWV is not responsible for the privacy practices of such other sites. This privacy statement applies solely to information collected by CHEWV.

All information, including testing data, is used for CHEWV purposes only. Our mission statement can be viewed under the “About” and “What is CHEWV?” tabs. If you have any questions about this privacy statement, the practices of this site, or your dealings with this website, please contact [chewv@chewv.org](mailto:chewv@chewv.org) or [media@chewv.org](mailto:media@chewv.org).
